COVID Guidelines

Due to the small area in the Uniform Shop, there will be restrictions on the number of people in the shop – only 1 parent and only the students who are needing uniforms. No friends or other family members who do not require uniforms will be able to be inside the shop. These people are to wait outside. Small children are accepted if they are too young to stay outside on their own.

Bookings: Families and students are to wait outside until called into the shop for their appointment.

Walk ins: All family members will be required to register their details before entering the shop.

Hand sanitizer will be provided outside and inside the shop. This will need to be used prior to entering.
